SERTOMA. A curious word until three very important words come together in unison: **SErvice TO MAnkind**. Sertoma's primary service project is assisting the more than 50 million people with speech, hearing and language disorders. This year we are proudly supporting For Kids. ForKids was founded in 1988. ForKids mission is to break the cycle of homelessness and poverty for families and children.

ForKids currently serves approximately 42 families with 80+ children each night in a residential program, as well as 100+ families with 200+ children in nonresidential programs.
