

# THIS YEAR, MAKE YOUR BIRTHDAY WISH SPECIAL...

## *Help a homeless family.*

The celebration of an adult's birthday usually includes deciding when and where to have a party and whom to invite. Then, there's the decision to be made about what guests can bring as a gift – **what does one give to the person that has everything or doesn't want anything?** The **ForKids Adult Birthday** program provides you with a rewarding alternative.

ForKids offers adults the opportunity to take an active role making an impact in your community. ForKids will provide you with printed inserts and envelopes to be included in your invitations advising that you have decided to forgo traditional birthday gifts and in lieu requests a donation be made to ForKids.

ForKids will provide you with a token of our appreciation, including thank you note cards and information to display at the birthday party.

If you would like to participate in the ForKids birthday program or find out more information, please contact Ryan Livingston at 757-622-6400 or e-mail [rlivingston@homesforkids.org](mailto:rlivingston@homesforkids.org).
